

SUFFOLK COUNTY AMERICAN LEGION

ADJUTANT REPORT

MARCH, 2018

Legionnaires, if its important enough to bring up on the floor of this meeting, its important enough to write it down so it can be included as part of our minutes. The minutes are the official record of the business we transact! Imperative that it be in writing be that an email (preferred method) sent to me or as a written document, submitted at the time of your announcing it on our floor.

Thank you!
